1. Complete

You _____ ever _____ to

Be _____ than you really are

When you're lyin' in my _____, baby

You _____ ever _____ to

Go faster than your fastest pace

Or faster than my fastest cars

2. Unscramble

You said to a friend that you wish you were doin' better
I shouldn't have done it but I read it in your letter
You said to a friend that you wish you were doin' better
I shouldn't have done it but I read it in your letter
I wanted to call you, but I didn't say a thing
I wanted to reach out, but I never said a thing

Ooh, I'll pick you up
If you come back to America
Just hit me up
'Cause this is crazy love
I'll catch you on the flipside
If you come back to California
You should just hit me up

We'll do whatever you want, travel wherever how far
We'll hit up all the old places
We'll have a party
We'll dance 'til dawn
I'll pick up all of your folks and all of your Rolling Stones
Your favorite liquor off the top-shelf
I'll throw a party
All night long

3. Mark an X in the word that you listen

You don't/ doesn't ever have to
Be stronger than you really are
When you're lyin' in my arms, and, honey
You don't ever have to
Act cooler than you think you could/should
You're bought/brighter than the bought/brightest stars

4. Read

You're scared to win, scared to lose
I've heard the war was over if you really choose
The one in and around you
You hate the heat, you got the blues
Changing like the weather, oh, that's so like you
The Santa Ana moves you

(Two, three, four)
