My school subjects and objects

Objective: students will be able to name school subjects, describe their weekly schedule, and identify classroom objects.

English

math

art

science

history

P.E

music

geography

Instructions:

Write one class for each day according to your schedule

Monday	Tuesday	Wednesday	Thursday	Friday

Learn the expression: "I need a…"

I need= Necesito

We use "I need…" to say what objects we need for a school subject.

I need+object

Example: I need a pencil.

What do you need?

Complete the sentences using "I need…" and an object from the work bank

Pencil, colored pencils, calculator, ball, map

1. For math, I need a _____
2. For English, I need a _____
3. For art, I need _____
4. For P.E (physical education) I need a _____
5. For geography, I need a _____
