

PLAN YOUR TUTORIAL!

Turn Your Recipe into a Video!

Work with your group and plan an English tutorial video based on your procedure text.

A. Video Plan

1. Opening — How will you introduce your recipe?

2. Materials — What ingredients and tools will you show?

3. Steps — What actions will you demonstrate?

4. Closing — How will you end your tutorial?

B. Group Role Distribution

Role	Group Member	Responsibility

C. Video Production Checklist

Check each item when your group has completed it.

- [ ] Our video has an opening.
- [ ] We show all ingredients and tools.
- [ ] We demonstrate the steps in the correct order.
- [ ] We use imperative sentences and action verbs.
- [ ] We use sequence connectors.
- [ ] Our narration matches the demonstration.
- [ ] Our video has a closing and shows the final result.
- [ ] Every group member contributes.

D. Project Requirements

- Duration: Flexible, as needed to present the recipe clearly and completely.
- Recording and Editing: Record and edit your video creatively.
- Language: English.
- Recipe: Any food or drink of your choice.
- Upload the video to YouTube and submit the link.

Great Job, Recipe Creators!
