REFLECTION CARD

Let's Reflect on Today's Learning!

Name:

Class:

Answer the following questions honestly based on your learning experience today.

1. What did you learn about procedure text today?

2. What new action verbs or sequence connectors did you learn?

3. What was the most challenging part of today's activities?

4. How did you contribute to your group's work?

5. What would you improve in your procedure text?

Every recipe starts with a step, and every learning journey starts with trying!
