IELTS Writing Housing & Living Spaces

Some people prefer to live in the city centre, while others prefer to live in the suburbs. Discuss both views and give your own opinion. Discuss both views

In some countries, most people prefer to rent their homes rather than buying them. What are the advantages and disadvantages of renting a home?

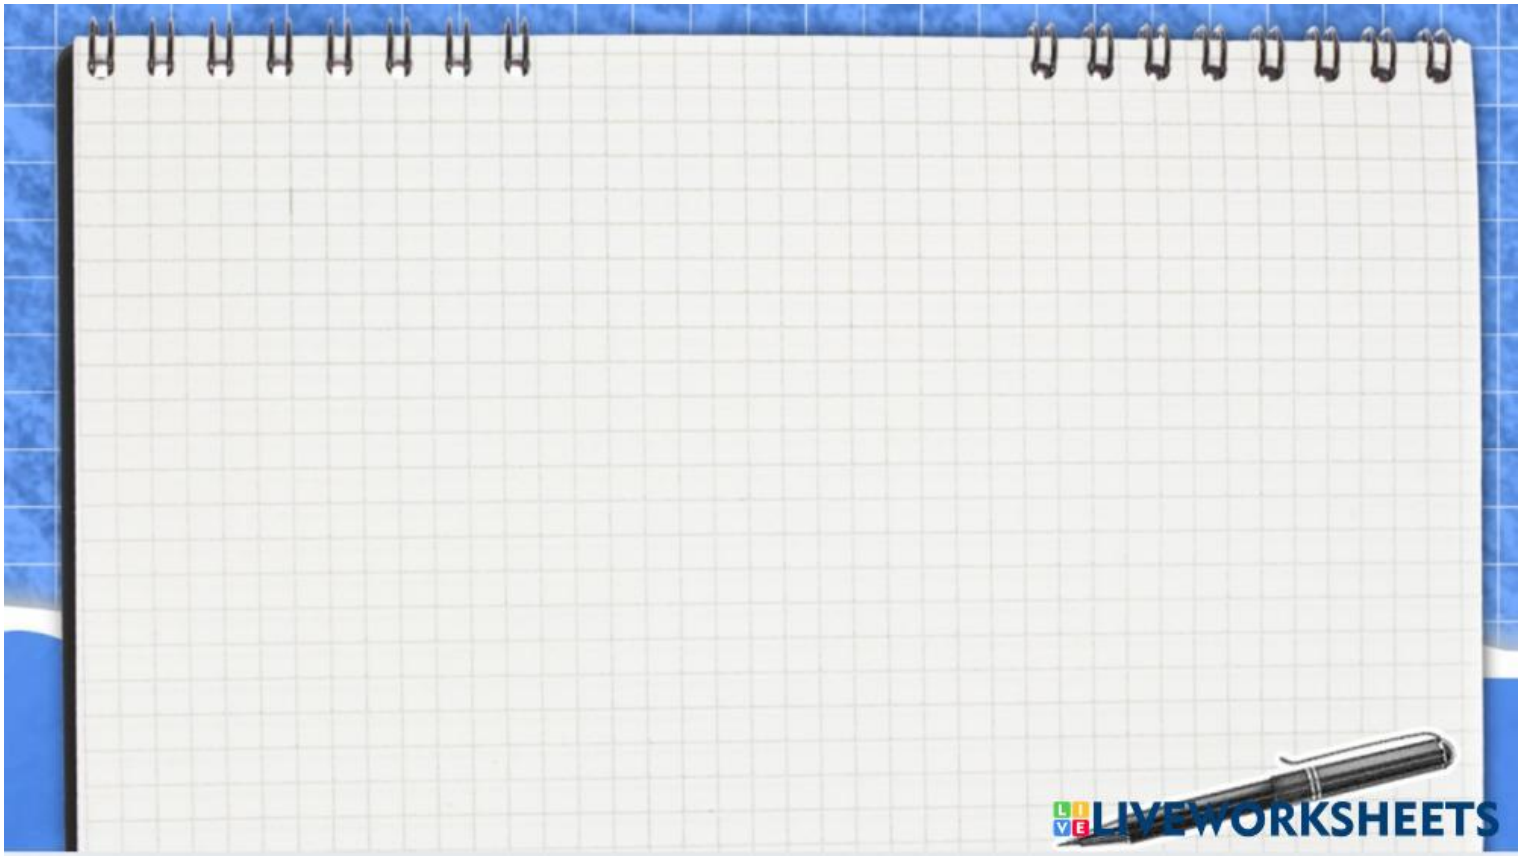

Many countries are experiencing population growth and need more homes. Should these new homes be constructed in existing cities or should new towns be built in the countryside?

Some people think that old buildings should be protected, while others believe that they should be replaced by newer buildings. Discuss both sides and give your opinion.

Some people believe that people should decorate their homes according to their personal taste, while others think that professional interior designers should be responsible for creating comfortable and attractive living spaces. Discuss both views and give your own opinion.

Some people regularly change the interior design of their homes, while others prefer to keep the same furniture and decoration for many years. What are the reasons for these different attitudes?
