ON OUR CLASS TRIP

Yesterday we went on a class trip to a Nature Reserve. We were very excited because our teacher, Ms. Taylor, told us that we would enjoy lots of fun activities such as bird watching, rowing small boats on the lake and cooking our own meal.

We got there after an hour's drive. While we were looking at birds, Amy took out a sandwich. Suddenly, a crow grabbed the sandwich from her hand and flew away with it. We cooked some spaghetti but Jimmy kept running around and accidentally kicked the pot. Then, while we were rowing slowly on the lake, one of the boats turned over and the teacher fell into the water.

Well, we definitely had lots of fun activities!
