Spotlight 4

Ordinal Numbers
Task 4456

Look at the picture and read the text. Fill in the sentences with the ordinal numbers (the 1st, 2nd...) Write the full words!!!

Look at this photo. These are the children who are in my class. Mia is the tallest in the class. She's as tall as our teacher, Mrs. Green. (She is the _____ in the picture). Jake is the funniest. He loves to make people laugh. He's standing in front of Mia. (He is the _____ in the picture).

Mary is the smallest but she's the fastest runner. (She is the _____ in the picture). Melanie has got the longest hair and Kim has got the curliest hair. (Melanie is the _____ in the picture and Kim is the _____). Josh is the tallest boy and he's the best at Maths. (He is the _____ in the picture). Sometimes I think he's better than the teacher! Nathan is the quietest boy. He's standing between Kim and Melanie. (He is the _____ in the picture).
