> "I used to do every sport I could when I was at school. I loved the exercise, and I also liked being a member of a team. We had some great times together. We travelled to matches by bus, and had parties when we won. Then I was in a terrible car accident three years ago, and I hurt my leg. It still isn't better. It's made me really unhappy. The only sport I can do is fishing, and that's so boring! But a friend of mine has suggested going sailing. It sounds fun, so I think I'll try that."
