Mega Goal 3	Term 1
3rd Year	Tr. Madiha Bayan

Q1. Composition

Complete each text using the words in the table.

A) Main Genres of TV Films

suspense	technology	action
time	frighten	epics

Film genres are categories of films based on theme, setting, stories, and characters. There are major genres and subgenres. For example, adventure and action films are popular and often have famous heroes. It is not always easy to classify films because they sometimes combine elements of different genres. (1) _____ films usually include exciting scenes and heroic characters. Detective films tell stories about crimes and include mystery and (2) _____. Drama films are serious and show realistic life situations and character development. (3) _____ are often historical films with extravagant settings and beautiful costumes. Horror films are made to (4) _____ audiences. Science fiction films often feature futuristic (5) _____ and creatures from outer space. War films show the horror and destruction of war. Westerns often include horses, cowboys, and sheriffs. Film genres can change over (6) _____ as people's interests change.

B) Two Is Better Than One

organized	lunch	lawyer
appreciated	dust	serene

My grandparents had very different personalities, but they complemented each other. My grandfather was a dedicated (1) _____ who never tried to make a profit by taking advantage of others. He was respected in court and was interested in people, history, law, and philosophy. He was a calm and (2) _____ person who never lost his temper. My grandmother, on the other hand, liked everything to be perfect. She worried about small things and wanted the house to be clean and (3) _____. One day, she decided to get rid of some old furniture because she thought it collected too much (4) _____. She sold the beautiful antique furniture that grandfather had carefully collected over many years. When he returned home, he found an empty room. He asked where everything was, and grandmother explained what she had done. Instead of getting angry, he sat down at the table to have his (5) _____. This incident shows that, despite their differences, my grandparents understood and (6) _____ each other.
