Dear Haruto
My name's Maria and I go to a small Primary school in Oxford, England. We wear a uniform at school every day. We have English every morning. I like English the best! After that, we have break at 10 o'clock. I sometimes play football with my friends. At 10.15, we have ICT on Mondays, Wednesdays and Fridays, and we have art on Tuesdays and Thursdays. We have lunch at 12.30. I like lunchtime because we can eat with our friends. Today, we're eating meat and vegetables, and we're having a chat. After lunch, we have two more lessons and then we have after-school clubs. I have drama club twice a week. It's great! On Thursdays, I always play basketball. It's fun!
Best wishes
Maria
