A Week in My City

My name is Daniel, and I live in Bogotá, Colombia. I usually get up at 6:00 a.m. and have breakfast with my family. I always go to work by bus because my office is far from my house.

I usually have lunch at a small restaurant near my office. The food is delicious, and the waiters are very friendly. Sometimes, I go to the park during my lunch break because I enjoy walking and relaxing.

After work, I often go to the gym, but I never go on Mondays because I have English classes. I sometimes visit the shopping mall with my friends. We usually watch movies, eat pizza, or buy clothes.

On Saturdays, I always visit my parents. We often go to a supermarket to buy food, and sometimes we have lunch at a traditional Colombian restaurant. On Sundays, I usually stay at home, but I sometimes go to the cinema or visit a museum.

I love my city because there are many interesting places to visit and different activities to enjoy!
