Daniel's Daily Routine

A Day in the Life of a Happy Boy

Hi! My name is Daniel. I am 11 years old. I am a student. I live with my family in a nice house. I have a busy day, but I love my daily routine!

I wake up at 7:00 a.m. I get out of bed and make my bed. Then, I take a shower and brush my teeth.

After that, I have breakfast. I eat cereal, fruit and drink orange juice. It gives me energy for the day!

I go to school at 8:00 a.m. I study English, Math and Science. I also play with my friends during recess. School is fun!

In the afternoon, I do my homework, play soccer with my friends and watch TV. I like soccer very much!

At night, I have dinner with my family. Then, I read a book and go to bed at 9:30 p.m. I sleep well and dream big!
