My name is Daniela and I got married one year ago. We decided to travel to Bora Bora for our _____. It was amazing, the island is wonderful and the water is so clean that you can even see _____ swimming next to the corals. This place is the closest thing to paradise, just like a _____.

We stayed there for two weeks, our _____ at the hotel was huge and comfortable, it had a small balcony and a king size bed. During the day we could do many things like swimming, taking pictures, walking on the _____ or simply _____ by the swimming pool. The evenings were also lovely, we had dinner at our balcony while watching the _____. Later, we would have a glass of wine under the _____.

The island is full of nature. One day we went for a walk and we saw a colorful _____ flying around us. You have to be careful too, because we also saw a _____ just a couple of meters away from us. Fortunately, it fled from us as we continue walking.

The last day before coming back home, we used a _____ to tour around the island. That was probably my favorite part of the trip. I took a picture of an abandoned _____ among the trees. Unfortunately, we had to pack everything and come back home, but I will never forget how magical my honeymoon was.
