Đề gồm 50 câu trắc nghiệm. Chọn một đáp án đúng nhất A, B, C hoặc D cho mỗi câu.

PART I. READING AND CLOZE (Câu 1–10)

A. Read the text and choose the best answer for each question (Câu 1–5).

If you are invited to someone's house in America for dinner, you should bring a gift, such as a bunch of flowers or a box of chocolates. If you give your host a wrapped gift, he or she may open it in front of you. Opening a present in front of the gift-giver is considered polite. It shows that the host is excited about receiving the gift and wants to show his/her appreciation to you immediately. Even if the host doesn't like it, he/she will tell a "white lie" and say how much he/she likes the gift to prevent the guest from feeling bad.

If your host asks you to arrive at a particular time, you should not arrive exactly on time or earlier than the expected time, because this is considered to be potentially inconvenient and therefore rude, as the host may not be ready.
