Lucretia walks into a …….

Because she does

It's not the ……..room

The one she wanted to ……. in

She says

"Everywhere I ……., damn there I am"

And I just …….. to walk away

Won't you …….. me walk away sometimes

Won't you ……. me walk away?

Every one of ……..is fired

I'm just an ordinary …….

And all I want is to be ……

Is that so wrong?

Don't ……. that I don't know

What you're saying about me

I ……. it all through these thin walls
