LIVEWORKSHEETS

THE HOTEL OF THE FAMOUS

A. What would your life be like if you were Albert Einstein? What clothes would be in your wardrobe if you were Marilyn Monroe? Or Madonna? Well now you can discover the answer to all of these questions at the Fame Hotel in California. When you check into the hotel, you choose a room. Each room has a name. The Fame Hotel has 32 rooms, most of which are named after stars of Hollywood or music. But there are also famous writers and even some scientists and sports stars, such as Mike Tyson.

B. When you enter the room, you enter the life of that person. The owner of the hotel has tried to fill the room with objects, clothes, even food that he thinks the stars would have liked. If you choose Mike Tyson´s room, you´ll be able to practise boxing in one corner of the room.

C. I spoke to one guest staying in the Elvis Presley room: "I love this hotel", he said to me. "I wanted to know what Elvis Presley would eat for breakfast and now I know". That guest eats pancakes and strawberry icecream every morning, just as Elvis liked to do. On the next table, the Einstein room´s guest is eating cabbage soup!

D. The company plans to open another Fame Hotel in New York next year and there are plans to expand into Europe too. I look forward to staying in the Winston Churchill suite in London!
