A SPECIAL SATURDAY

My name is Daniel. I am fourteen years old and I live in Ecuador with my family. My father is a teacher, and my mother is a doctor. I have one sister. Her name is Sofia, and she is twelve years old.

Every Saturday, we spend time together. In the morning, my mother prepares breakfast while my father reads the newspaper. Sofia usually watches TV, but I play soccer with my friends.

Today is different because we are visiting our grandparents. My grandmother is cooking lunch, and my grandfather is working in the garden. My sister is helping my grandmother in the kitchen. I am taking photos of my family.

Yesterday, we visited a beautiful park. We played games and ate delicious food. It was a wonderful day!
