"Uno II"

I found a crouton
_____ a futon
Mama said
I couldn't eat it
Cause all my teeth are gone
My personality
Is _____ on food now
Take it from Bogdan
He's my veterinarian
His _____ are from Croatia
They've been through some shit man
I seem like such a bitch
When I talk about Swedish politics
Or maybe he's Australian
I never really listen when he's talking 'bout himself

When I see my veterinarian
It feels a little _____ and
I sleep a _____ sleep
And I wake up in an area
In the back of a facility
The doctors do activities
That _____ the trade of rotten teeth
Of exotic breeds
Especially
Is Bogdan my _____?
Does he want the best for me
What's he doing with my teeth
Is he taking them to Australia?

[Refrain]

Guess the Movie Character

Read the descriptions and guess which famous movie character is being described

Write down the number of description in the picture

1. Take it from someone who has spent years fighting crime: this billionaire knows exactly what it takes to protect an entire city, even if he has to hide his true identity.
2. This young wizard had to go through a lot: he lost his parents, faced a powerful dark wizard, and survived several attempts to kill him.
3. This ogre doesn't particularly enjoy talking about himself, but if you ask him about his swamp, his best friend, or his personal life, you'll definitely hear a few complaints. 4. This superhero's story is based on the idea that an ordinary teenager can become extraordinary after being bitten by a radioactive insect.
5. My teeth are gone, but I can still talk, laugh, and go on adventures. I'm an old man who lives in a house attached to thousands of balloons and travels to South America with a young boy.
6. When it comes to protecting her family, this young woman is fearless. She volunteers to take her sister's place in a deadly competition and eventually becomes the symbol of a revolution.
7. Take it from someone who has travelled across the galaxy and fought countless enemies: being a Jedi isn't as easy as it looks. This little green master is famous for his unusual way of speaking.
8. This character has gone through a lot: she lost her parents, was forced to work as a servant, and had to deal with a cruel stepmother and stepsisters before her life changed completely.
9. This character loves talking about himself, especially his achievements, his intelligence, and how much better he is than everyone else. He's a famous green villain who constantly tries to defeat a blue hedgehog.
10. When it comes to solving mysteries, this detective is practically unbeatable. He lives at 221B Baker Street and is famous for his extraordinary powers of observation.

LIVEWORKSHEETS

11. This character's life is based on a tragic mistake: he was created in a laboratory, abandoned by his creator, and eventually became a terrifying monster.
12. Take it from someone who has spent years living in the jungle: you don't need expensive clothes or a luxurious house to survive. This man was raised by gorillas.

Imagine you're writing a diary, a movie script, or telling an interesting story to a friend. Write one original sentence with each expression from the list
But there's one rule: your sentences must be personal, unusual, funny, dramatic, or thought-provoking.

1. To be based on something

2. To go through something

3. My teeth are gone

4. To take it from someone

LIVEWORKSHEETS

5. To talk about oneself

6. When it comes to something

Speaking

1. What is the most ridiculous piece of advice you've ever received? Would you take it from someone who has failed at everything?
2. What is the most embarrassing situation you've ever had to go through?
3. If you had to talk about yourself using only three words, what would they be? Would your friends agree?
4. If your life were a comedy movie, what would its plot be based on?
5. Imagine you wake up and discover that your teeth are gone. What's the first thing you'd do?
6. When it comes to dating, what is your biggest red flag that you would probably ignore if the person were attractive enough?
