AMAZING ANIMALS: ECUADOR AND THE WORLD

Name: _____ Date: _____

Discover the amazing animal kingdom!

Animals are different in size, speed, and strength. Some live in Ecuador, while others live in different parts of the world.

Ecuador is home to many interesting animals. The Galápagos giant tortoise is one of the most famous animals in the country. It is very large and can live for more than 100 years. The Andean condor is one of the largest flying birds in the world. It has enormous wings and lives in the Andes Mountains.

Around the world, there are many amazing animals, too. The giraffe is the tallest land animal. It is taller than a lion and has a very long neck. The cheetah is the fastest land animal. It can run faster than most other land animals.

In the ocean, the blue whale is the largest animal on Earth. It is much bigger and heavier than an elephant.

Every animal is special. Some are faster, others are bigger, and some are stronger. Learning about animals helps us understand and appreciate nature!
