Grammar 5: Find and correct the mistakes

Score: ___ / 12

There is one mistake in each sentence. It is underlined. Write the correct word or words in the box. There is one example.

0	He enjoys <u>to play</u> football.	*playing*
1	<u>Bringing</u> your sports shoes to the event!	
2	She runs <u>more fast</u> than her brother.	
3	Mr Lam is our school <u>clean</u>. He cleans the classrooms.	
4	The Arctic is <u>more cold</u> than the desert.	
5	Saturn is one of <u>the beautifulest</u> planets.	
6	The country has many high mountains, <u>isn't it</u>?	
7	They have grass on the roof <u>keep</u> the house warm.	
8	<u>Doesn't throw</u> rubbish everywhere!	
9	I can see tall buildings behind the house, so it <u>must</u> be in the countryside.	
10	We don't have <u>some</u> mushrooms for the pizza.	
11	<u>A few</u> chocolate is fine, but too much is bad for your teeth!	
12	<u>After</u> you start, clean a recycled plastic pot.	

LIVEWORKSHEETS

 Name: _____ Class: _____ Date: _____

Reading 1: Read and answer the questions

Score: ___ / 8

Read the texts and answer the questions. Write short answers. There is one example.

Helpers at Our School

Mr Lam is the caretaker at our school. He always cleans the classrooms early in the morning, and he sometimes fixes broken chairs. Ms Hoa is the school nurse. She helps children who feel ill. Our librarian, Mr Khoa, enjoys reading stories to us. He says, "Come and visit the library every week!"

0 Who is the caretaker?

Mr Lam.

1 What does Mr Lam always do early in the morning?

.....

2 What does Mr Khoa enjoy doing?

.....

Lan and the Night Sky

Lan's class is learning about space. A rover is a small vehicle that moves on the surface of a planet. Rovers don't carry people, but they take photos of rocks and dust. Mars is drier than Earth, and Neptune is the farthest planet from the Sun. Tonight, Lan is looking at the sky through a telescope. She hopes to see a constellation.

3 What do rovers take photos of?

.....

4 What is Lan doing tonight?

.....

Minh's Home

Minh's family lives on a houseboat. It is smaller than an apartment, but it is peaceful and comfortable. The boat was made of wood and it was built in 2015. There are solar panels on the roof to make electricity. Minh says, "Don't throw rubbish into the river!"

5 Where does Minh's family live?

.....

6 Why are there solar panels on the roof?

.....

LIVEWORKSHEETS

Grow Your Own Cress

Would you like to grow cress? First, put some wet cotton wool in a plastic container. Then, press a few cress seeds into the cotton wool. After that, put the container near a window. When there are green leaves, cut off some and eat them. They are crunchy and a little spicy!

7 What do you put in the plastic container first?

.....

8 What are the cress leaves like?

.....

LIVEWORKSHEETS

Reading 2: Read and choose the correct answer

Score: ___ / 12

Read the texts. Circle the correct answer: A, B or C.

Sports Day

Every year, our school has a sports day. Students enjoy running, long jump and basketball. Last year, Nam ran the fastest in his class and won a medal. Mai doesn't like running, but she loves to cheer for her friends. The headteacher says, "Bring your sports shoes and join the fun!"

1 What is the text mainly about?

A. A school sports day **B.** A cooking lesson **C.** A trip to the museum

2 Who ran the fastest last year?

A. Mai **B.** Nam **C.** The headteacher

3 What does Mai love doing?

A. Running
B. Cheering for her friends
C. Winning medals

Sky Wonders

At sunset, the sky turns orange and red. After rain, a rainbow sometimes appears. In the Arctic, people can watch the northern lights dancing in green and purple. At night, if there are no city lights, children can see a constellation, a group of stars that makes a shape.

4 Where can people watch the northern lights?

A. In the Arctic
B. In a desert
C. In a tropical rainforest

5 When does a rainbow sometimes appear?

A. At sunset **B.** After rain **C.** At lunchtime

6 What does "constellation" mean?

A. A kind of rainbow **B.** A group of stars **C.** A type of storm

Aunt Hang's Eco-house

My aunt lives in an eco-house. It has big windows to let in natural light and grass on top of the roof to keep the house warm. She uses recycled materials for her furniture. She says, "My eco-house is more comfortable than my old apartment, and it is very peaceful."

7 Why does the eco-house have big windows?

A. To let in natural light **B.** To keep the house warm **C.** To collect rain

LIVEWORKSHEETS

8 What does Aunt Hang use recycled materials for?

A. Her food **B.** Her furniture **C.** Her roof

9 What does Aunt Hang think about her eco-house?

A. It is more comfortable than her old apartment.

B. It is too small.

C. It is noisy and dark.

Chocolate Journey

Chocolate is made from cacao beans. Farmers harvest the cacao pods with a machete. Then they roast the beans. Next, machines crush the beans into a thick paste. Dark chocolate is more bitter than milk chocolate, and milk chocolate is sweeter and creamier. Plenty of children love it!

10 What do farmers use to harvest the cacao pods?

A. A machete **B.** A telescope **C.** A paper towel

11 What happens after the beans are roasted?

A. Machines crush them into paste.

B. Farmers fold them.

C. Children rinse them.

12 Which chocolate is creamier?

A. Dark chocolate **B.** Milk chocolate **C.** Both are the same.

LIVEWORKSHEETS

Reading 3: Read and choose True or False

Score: ___ / 12

Read the texts. Circle True or False.

My Big Family

I live in an extended family. My grandpa and grandma live with us, and my uncle and aunt live next door. My cousin Binh is the same age as me. We always play football in our neighbourhood on Sundays. My grandma sometimes cooks for the whole family.

1 The writer lives in a nuclear family. True / False

2 They play football in the neighbourhood on Sundays. True / False

3 Grandma never cooks for the family. True / False

Three Wild Places

The Sahara is a huge desert in Africa. It is drier and hotter than the Amazon rainforest. The Amazon rainforest is wet and humid, and many plants and animals live there. The Arctic is the coldest of the three places. It is freezing and icy all year.

4 The Sahara is wetter than the Amazon rainforest. True / False

5 The Amazon rainforest is humid. True / False

6 The Arctic is freezing and icy all year. True / False

The Eiffel Tower

The Eiffel Tower was built in 1889 in Paris. It was designed by Gustave Eiffel. The tower was made of iron and had three levels. At that time, it was the tallest building in the world. Today, millions of visitors travel to Paris to see it.

7 The Eiffel Tower was built in London. True / False

8 The tower was made of iron. True / False

9 The tower had five levels. True / False

A Snack Plate

Lin has a snack plate for her friends. There are a few juicy oranges and plenty of crunchy carrots. There aren't any crisps because her mum says they are too salty. There is a little cheese, but there isn't any chocolate.

10 There are a few oranges on the plate. True / False

11 There are some crisps on the plate. True / False

LIVEWORKSHEETS

Name: _____ Class: _____ Date: _____

12 There is a little cheese on the plate. True / False
