Jenny's Diary

Yesterday, some people came to make a [1]**film** / **present**. Rose showed them around the circus. First, they went to Dad's [2]**kitchen** / **bathroom** and they saw how he makes all the food, which is very [3]**frightening** / **important** for the people at the circus. Pablo decided that we should make a [4]**website** / **video** too, so he got his camera. We spoke to Ivan, who told us he can pull a [5]**tractor** / **suitcase** with his teeth. Then Jim talked to Su-Lin's [6]**grandparents** / **aunts**, May and Fred, who are the [7]**waiters** / **designers** at the circus. After that I spoke to Marc and Lily. They're the acrobats and I said they could [8]**fly** / **bounce**, but really they only jump. Ivan told the [9]**drivers** / **people** making the film they should use some of our film, but Pablo didn't think it was a good idea.
