Text 2

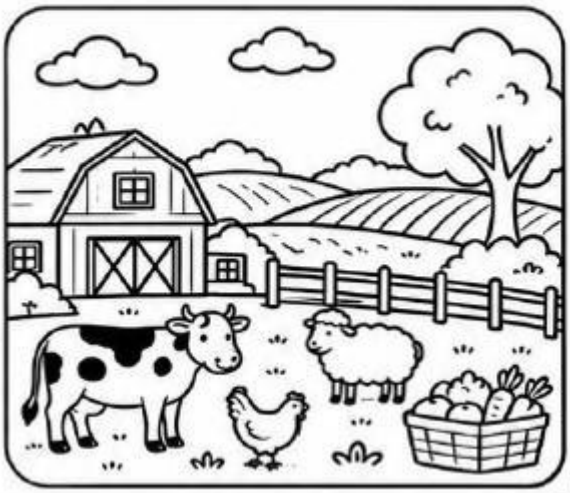

Read the text and choose the correct answer (A, B or C).

Country Life

Country life is quiet and peaceful. There are green fields, farms and many animals, such as cows, sheep and chickens.

People in the countryside grow crops, such as fruits and vegetables. They also take care of the animals.

Country life is different from city life. It is less busy, and the air is clean and fresh. Many people like country life because it is calm and beautiful.
