### Objective:

To identify actions and describe them in the past simple.

To ask and answer questions in the past.

**A** Read and complete the notes with the correct form of the verbs in parentheses.

December 12

Today I dug at the Madera Archaeological Site. We

1) \_\_\_\_\_ (dig) holes in the ground for hours. We didn't find anything.

We 2) \_\_\_\_\_ (feel) so frustrated!

In the afternoon, my friend Steve and I grabbed our shovels and

3) \_\_\_\_\_ (go) to a new spot.

We 4) \_\_\_\_\_ (find) several gold coins there. They appeared ancient!

We 5) \_\_\_\_\_ (collect) them and stored them in boxes.

December 13

This morning, we studied the coins we found yesterday. They

6) \_\_\_\_\_ (look) so old! We guessed that they

7) \_\_\_\_\_ (be) from the 14th century! We 8) \_\_\_\_\_ (clean) the coins. Then we called our friend from the museum. He 9) \_\_\_\_\_ (come) over to the site. He agreed these coins were valuable! Then he

10) \_\_\_\_\_ (take) them back with him to the museum. What a find!

● Read again and match the questions with the answers.

1. Did they find anything in the morning?
2. What did they find in the afternoon?
3. Who did they call?
4. What did they do with the coins?

- \_\_\_ Their friend from the museum.
- \_\_\_ They collected, examined, and cleaned them.
- \_\_\_ No, they didn't.
- \_\_\_ Coins!
