FINAL WRITTEN EXAM

1. Read this article in an e-shop webpage and choose the style you identify with.

How To Find Your Personal Style

Have you got a closet full of clothes but the styles are different? Have you got some clothes that look conservative, some that look soft or some that are glamorous? Would you like to narrow down to just one style that makes you feel great all the time that you can identify with? Would you like to find out your personal style? Knowing your own style can even help you save money by omitting unwanted clothes from your closet and can help give you confidence by knowing you look great in your outfits! Here's how to find your Signature Style:

Here are a few popular styles:

Classic Style – This style consists of essentials that never go out of style…a more dressy look.

Glam Style – This style consists of fur, sequins, jewelry, leather, elegant jackets, classy trousers, etc.

Minimalist Style – These clothes have got neutral colours, like black, grey, white or beige and simple designs.

Casual Style – This style consists of jeans, tees, jackets and cardigans in a casual, relaxed style.

Athletic Style: Activewear style that you can wear in or out of the gym, like leggings, sweatshirts, tracksuits, trainers, etc.

Choose your favourites to get the look that you identify with. Go through each item. If you love wearing it, you feel comfortable in it and it looks great on you, put it back in your closet. If you don't like it, store it away, sell or donate it. You'll have a neater closet, get dressed quickly and will love your closet!
