2.2.1	A weekly schedule indicating activities for each day is available. The schedule is easily viewed by parents, EC practitioners and visitors.				
2.2.1 A	A daily schedule is posted in each learning area. The schedule is pictorial and child friendly.				

2.4.1	All five (5) learning areas are available, though all not necessarily at the same time. At least three (3) learning areas are available at the same time.				
2.4.3	At least two (2) developmentally appropriate toys per child.				
2.4.5	Toys and learning materials are well organised on open shelves accessible to the children.				
2.4.6	A variety of materials, including mainly children's work and some practitioner prepared materials are displayed at the children's eye level.				
2.4.11	At least two (2) different types of fine motor activities are available. Fine motor activities include: (1) building and construction toys; (2) art and writing materials (crayons, scissors, paint); (3) manipulatives (bead threading, sewing, buttoning).
