My School Day

Hi! My name is Max and I am eleven years old. I live in Ukraine and I go to school from Monday to Friday.

On school days I get up at seven o'clock in the morning. I go to the bathroom, wash my face and brush my teeth. Then I get dressed and have breakfast in the kitchen with my sister, Anna. She doesn't get up early because her lessons start at nine o'clock. I leave the house at quarter to eight. I don't walk to school because it is far — I catch the bus with my best friend, Taras.

Our lessons start at half past eight. I usually have six lessons a day. My favourite school subjects are IT, Geography and PE. On IT lessons we use computers and learn interesting things. In Geography, we learn about different countries, oceans, and mountains. On Wednesdays and Fridays we have PE. We run, jump and play football in the gym. I don't like Maths very much because working with numbers is difficult for me and I don't study French at my school.

At one o'clock my friends and I have lunch in the school canteen. After school I go home and do my homework in the afternoon. In the evening we have dinner at seven o'clock. Before I go to bed at half past nine I always have a shower and read a book.
