Dear Ann,

How are you? I've got some great news to tell you. My brother and I are going camping for three weeks. It's going to be a wonderful adventure and I'm very excited about it.

At first, I didn't want to go camping. I wanted to spend the summer holiday with my family in a nice hotel with a swimming pool. But then, my brother changed my mind. You see, he went to the same camp last year. He described the camp to me and showed me a video about it. I loved it! The camp is near the sea and it's got a lot of fun activities for children. For example, every morning I can play volleyball or tennis. In the afternoon, I can go horseback riding, do water sports such as sailing or water skiing or go for a walk on the beach. The camp also offers art lessons early in the evening. I want to take drawing and dance lessons!

The best thing about the camp is that I'll make new friends. I'm going to share a tent with five other girls so I don't think I'll be lonely. My brother will sleep in a tent with five boys, too. All of them are his friends. He met them at the camp last year. We will miss our parents, of course, but they can come and see us any time they like.

Why don't you come, too? We'll have a great time together! Call me or send me an e-mail to let me know.

Kisses,

Vickie
