Activity No.	1
Activity title	Reflects: How can teachers support and care for students given the aspirations of the United Arab Emirates in preparing for the next fifty years?
Activity duration	10 Mins
Think ...	As stated in the The UAE Centennial Report, UAE aims to prepare a generation that carries the future flag, and has the highest scientific and professional levels, and moral and positive values, to ensure continuity and secure a happy future and a better life for future generations, and to raise the country's position to be the best in the world.
	How can teachers support and care for students in light of the UAE's aspirations for the next fifty years? What are the most important elements that establish the concept of quality student life and the dedication of suitable environment that will support the students in their various educational stages?
