

A ginger cat with orange fur and stripes is lying on its stomach, propped up on its front paws, reading an open book. The cat is wearing small, round, gold-rimmed glasses. The background is a solid light blue color. A large, stylized blue star graphic is partially visible on the left side of the image.

Find the correct answer.

- 

had changed

5. There can be some changes. If anything
we would let you know
will let
let

changed,
changes

is

would open
