

HAPPY TOGETHER

Imagine me and you, I do
I think about you day and _____
It's only right
To think about the girl you _____
And hold her tight
So happy together

If I should call you up
Invest a dime
And you say you _____ to me
And ease my mind
Imagine how the _____ could be
So very fine
So happy together

I can't see me loving nobody but you
For all my life
When you're with me
Baby the skies will be _____
For all my life

Me and you
And you and me
No _____ how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

I can't see me loving _____ but you
For all my life
When you're with me
Baby the _____ will be blue
For all my life

Me and you
And you and me
No matter how they tossed the _____
It had to be
The only one for me is you
And you for me
So happy together

Me and you
And you and me
No matter how they _____ the dice
It had to be
The only one for me is you
And you for me
So happy together

So happy together
How is the weather
So happy together
We're happy together
So happy together
Happy together
So happy together
So happy together
