I don't wanna go to Earth!

Stop \_\_\_\_\_ (9) this!

I don't wanna!

Uhhh!

Hahaha!

Okay, look, I already know \_\_\_\_\_ (10) about Earth, and I don't want \_\_\_\_\_ (11) to do with it.

You're missing out on the joys of life... like... uh... pizza!

I can't smell!

We can't... we can't taste either?

All that \_\_\_\_\_ (12) is in your body.

No smell! No taste!

Or touch.

See?

Okay, I get it!

Wow!

It's my life.

Is all this \_\_\_\_\_ (13) really worth dying for?

You're still alive?

Can you help me get back?

No way!

There I am!

What are we \_\_\_\_\_ (14) for?

No, no! Wait! Not me!

Hmm, that's weird.

What is it?

151,000 \_\_\_\_\_ (15) go into the Great Beyond everyday, and I count

every \_\_\_\_\_ (16) one of them...

...the counts off. Huh...
