Personal profile

Name: Matt Taylor

Class: 4C

A I love listening to music! I always listen on my headphones when I go to school. I like hanging out with my friends, too. I usually see them at the weekend. We often play basketball together. We have some great games! I don't mind chatting online with them, but it isn't my favourite activity.

B I hate going shopping! I usually go to the supermarket at the weekends with my parents, but I really don't like it. I don't like reading books very much, either. I prefer video games. They're cool!

C I haven't got many things. I've got a phone and a laptop. And I've got a bike, but I don't go for a bike ride very often. It's boring!
