

CALCOLO ORALE

★ Completa i comandi delle frecce e continua le sequenze.

A sequence of operations starting from 56, branching into two paths: +1 and -3. Each path has four steps, represented by empty circles. The paths are connected by a vertical line at the end.

Step	+1 da	-3
1	56	
2		
3		
4		

Below the sequence, there are seven ladybugs walking in a line.

★ Calcola a mente applicando le proprietà dell'addizione

$$12 + 6 + 8 = \underline{\hspace{2cm}}$$

$$24 + 36 + 15 = \underline{\hspace{2cm}}$$

$$54 + 11 + 29 = \underline{\hspace{2cm}}$$

$$34 + 12 + 16 = \underline{\hspace{2cm}}$$

$$15 + 32 + 15 = \underline{\hspace{2cm}}$$

$$31 + 27 + 19 = \underline{\hspace{2cm}}$$

$$48 + 5 + 22 = \underline{\hspace{2cm}}$$
