Noise is always loud, there are sirens all around and the streets are mean

Concrete ____ where dreams are made of
There's nothing you can't do
Now you're in New York!
These streets will make you feel brand new
Big ____ will inspire you
Hear it for ____, New York, New Yooork!

On the avenue, there ain't never a curfew, ladies work so hard
Such a melting pot, on the corner selling rock, preachers pray to God
