Ingredients:	1

	3
	4
	5
1 tbsp olive oil	6
1 garlic clove, crushed	7
400g can whole tomatoes	8
1 tsp vegetable stock powder or ½ crumbled stock cube	9
1 tbsp tomato purée	10
1 tsp sugar	11
Few basil leaves	12
	13
1. Bring a frying pan up to a medium/high heat on the stove and add the olive oil.	14
	15
2. Crush the garlic and add it to the pan. Stir until the garlic just starts to turn brown	16
but be careful not to burn it.	17
	18
3. Add the tomatoes to the pan and begin to break them up with your spoon.	19
	20
4. When the tomatoes are soft and broken up, add the rest of the ingredients except	21
for the basil.	22
	23
5. Turn down the heat to low and allow this to simmer and reduce uncovered for about	24
five minutes. Make sure you are stirring constantly. If the sauce looks to dry then add	25
a little water.	26
	27
6. To finish, tear up some basil leaves and stir them into the sauce.	28
