Having fun after school

Hi, I'm Kathy. I really enjoy going to the playground with my friends after school. We like to climb the **jungle gym / hopscotch**. Then we take turns sliding down the **seesaw / slide** to see how fast we can go. Moreover, we can go upside-down on the **monkey bars / hopscotch**. We get dizzy if we stay that way too long. The **sand box / seesaw** can be dangerous, but only if the other person jumps off while you are in the air. We have to be careful when we are balancing. In the **hopscotch / play house**, my friends and I pretend to make food. When we are in the **sand box / monkey bars**, we sometimes build a sandcastle. We also like playing **jungle gym / hopscotch**. It's fun.
