- Read the following text and choose the correct answer.

It is a mistake to assume that "educational" programs on television are likely to be boring. In fact, as long as these programs are made in a rich and creative manner, there is no doubt that they can and do draw the attention of people, especially young people. Perhaps some of the best examples of successful educational programs are those which deal, for instance, with ancient historical sites, environmental problems, wild life, geography or the strange world at the bottom of the sea.

8. In the passage, the term 'wild life' _____.

- A) is used to indicate the behavior of young people.
- B) refers to animals, birds and other living beings in nature
- C) signifies the living conditions of primitive people
- D) means a large unused piece of land
- E) refers to prehistorically times

9. Some people seem to think that _____.

- A) only those programs concerned with historical and geographical subjects can be fascinating.
- B) television does not give enough importance to the problems of youth
- C) educational programs on television are of little interest
- D) a lot of money is needed to make a good educational program
- E) young people are more interested in educational programs than their elders

10. In the passage it is emphasized that a good educational program _____.

- A) has more influence on people if it is shown on television
- B) should in the first place be concerned with history and biology
- C) should involve young people and encourage them to study the natural world
- D) can contribute a great deal to people's awareness of environmental problems
- E) is one which is made

- Complete the text. Choose the correct option.

SADNESS

When Susan's cat was killed by a car she burst into 11 and began to 12 so loudly that the neighbors next door heard her. She was 13 by the 14. Her mother tried to 15 her but Susan's 16 was so great that it was three days (and three 17 nights) before she began to 18 enough to eat normally. Even then she talked to no one and was silent and 19 for weeks. I think she'll always 20 her pet.

11. A) sobbers B) heart C) tears D) grief

12. A) sob B) tear C) giggle D) grief

13. A) heartdestroyed B) heartbroken C) heartburn D) amazed
