We moved house a few months ago. Our old house was _____ small and I had to share a bedroom with my brother. Our new house is big _____ that we can each have our own room. My room isn't _____ big _____ my brother's, but I don't mind. I mean, I'm not _____ old _____ him, so I guess it's OK for him to have the biggest room.

Anyway, there's _____ space in my room for a bed, a desk, an armchair and a wardrobe, so I'm very happy. Unfortunately, it's right next to my mum and dad's bedroom, so I can't make _____ much noise.
