

LISTENING

You will hear five short extracts in which British teenagers are talking about why they like a particular school subject best. For question 1-5, choose from the list (A-H) the reason each speaker gives. Use the letters only once. There are three extra letters which you do not need to use.

A I can talk to my parents about it.

B I can sit with my friends in class.

C I find it easy.

D I don't have to do much homework for it.

E I like the textbook.

F I think it will be useful for me in the future.

G I have an excellent teacher.

H I enjoy the challenge of it.
