

1 Look and match.

All the people in these pictures have had accidents. They have different kinds of injuries. Match each picture to one of the injuries in the first aid box .

Now listen and check your work.

Then listen to these people talking about what happened to them and decide which picture matches each conversation.

2 Write.

Look at the injuries in activity 1 and write a short sentence about each one.

- a.** I burned my hand.
b. _____
c. _____
