Costa Rica is a tiny country that's full of life. With Action Ready tours you can explore Costa Rica and have the adventure holiday of a lifetime. Read more about a typical tour...

- A.** You begin your first day in Costa Rica with a cup of the country's most popular product: coffee. After this, it's off to the mountains where we take a tour around a coffee farm.
- B.** On day 2, we travel to Tortuguero, a village on the edge of the rainforest. From here we walk deep into the tropical forest and get the chance to see wild monkeys, exotic birds, and tropical plants.
- C.** After our hike we spend a night camping in the forest. Here, you can experience the magical noise of the rainforest at night. Fall asleep listening to the amazing songs of the rainforest birds and the cries of the monkeys.
- D.** On day 3, we visit the town of Sarapiquí. Sarapiquí is famous for its fast-flowing river. It's a great place for white water rafting. So, get ready for a thrilling ride down the river!
- E.** Next stop is Arenal, for an amazing climb up an active volcano. It's not an easy climb, but high up on the volcano the view is great. And feeling the heat and seeing the bright orange lava is an unforgettable experience!
- F.** Before we leave Arenal, you have a day to explore the town. We suggest a visit to La Fortuna Market. It's a great place to try traditional local foods, like Casado, a mix of rice, beans, chicken and sauce. It's fantastic!
- G.** On day 6, it's time for some volunteer work. At Action Ready tours, we show respect for the beautiful forests of Costa Rica by spending a day planting trees at a local village.
- H.** Our last stop is the tiny village of Playa Santa Teresa, famous for its white beaches and warm blue waters. It's also a top spot for surfers, so, after a quick surfing class, we hit the waves for one last afternoon of adventure!
