

Story telling – sequencers

Identify the sequencers on the stories:

1)

Yesterday evening I got home from work at 6 o'clock. My wife had prepared dinner which we ate immediately. After I had cleaned up the kitchen, we watched TV for about an hour. Then we got ready to go out with some friends. Our friends arrived at about 9 o'clock and we chatted for a while. Later we decided to visit a jazz club and listen to some music. We really enjoyed ourselves and stayed late. We finally left at one o'clock in the morning.

2)

Last week, I visited Chicago to attend a business conference. While I was there, I decided to visit the Art Institute of Chicago. To start off, my flight was delayed. Next, the airline lost my luggage, so I had to wait for two hours at the airport while they tracked it down. Unexpectedly, the luggage had been set aside and forgotten.

As soon as they found my luggage, I found a taxi and rode into town. During the ride into town, the driver told me about his last visit to the Art Institute. After I had arrived safely, everything began to go smoothly. The business conference was very interesting, and I thoroughly enjoyed my visit to the institute. Finally, I caught my flight back to Seattle.

Luckily, everything went smoothly. I arrived home just in time to kiss my daughter goodnight.
