I remember when
I remember, I remember when I lost my **mind/map**
There was something so pleasant about that place
Even your emotions have an echo in so much space
And when you're out there without care
Yeah, I was out of **touch/that**
But it wasn't because I didn't know enough
I just knew **two/too** much

Does that make me crazy
Does that make me crazy
Does that make me crazy
Possibly

And I hope that you are having the time of your **life/live**
But think twice, that's my only advice
Come on now, who do you, who do you, who do you
Who do you think you are
Ha ha ha, bless your soul
You really think **your/you're** in control

I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to lose their lives out on the limb
And all I remember is thinking I **want/won't** to be like them
Ever since I was little
Ever since I was little it looked like **funny/fun**
And it's no coincidence I've
come/done
And I can die when I'm **come/done**

But maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably
