

TOEFL LISTENING: Connecting-content Questions

These questions will ask you to show that you understood relationships between ideas in the listening. You may be required to fill in a chart to show your answer, rather than select an answer from multiple choice questions.

Listen to the following passage:

Question: Indicate whether each of the following activities describes a displacement activity by checking “yes” or “no”.

ACTIVITY	YES	NO
Instead of attacking the enemy, an animal attacks another object.	YES	NO
During its mating ritual, a bird grooms	YES	NO
When a predator confronts it, an animal falls asleep instead of eating its food	YES	NO
After preening itself, an animal drinks water.	YES	NO
