England in 1665

'I'm going to tell you something about life in England in 1665. Life was hard then. Some people in some places were rich but there were lots of very poor people everywhere.

The worst thing was the dirt – you couldn't get away from it anywhere, and there were rats everywhere. Everybody was afraid of getting ill. There wasn't anything you could do to get better if you got ill, and because there weren't enough doctors, there was no one to help you.
