

TICKET DE SALIDA

RESUELVE LAS SIGUIENTES MULTIPLICACIONES UTILIZANDO EL ALGORITMO APRENDIDO.

The figure shows a place value chart for multiplication. The top row has boxes for the numbers 7, 3, and 5, followed by a multiplication sign and the numbers 1 and 5. A horizontal line is drawn below the top row. The middle row has four orange boxes and a minus sign. The bottom row has five empty boxes.

5 2 3 \times 2 4
