

Call me Maybe

Carly Rae Jepsen

I threw a wish in the well, don't ask me, _____

I looked to you as it fell and now you're in my way

I trade my soul _____, pennies and dimes for a kiss

I wasn't looking for this, but now _____.

Your stare was holdin', _____, skin was showin'

Hot night, wind _____,

Where you think you're going, baby?

Hey, I just met you and this is crazy

But here's _____, so call me, maybe

It's hard to look right at you, baby

But here's my number, so _____.

for a wish

You're in my way

I'll never tell

Ripped jeans

Call me, maybe

My number

Was blown
