Jake: But did you belong to a clique? I mean, you must... I don't know if you were in the farmer or the mechanic clique, but were you in a clique ?

Abby:

- Sport : - Clique's name :
- Meeting moments :
- Activities :

Jake: For me, it's anstory. My clique started because we all were the students... or the male learning French and that's what really us all, because that's what we against everybody else. And, you know I still hangwith that clique to this day , and, you know, I consider myself part of a clique. Even if you ask me as an adult , you, do you have a clique, do you a certain group that you consider closest to you, I definitely stillwith the clique.
