Today is gonna be the \_\_\_\_\_  
That they're gonna throw it back to you  
\_\_\_\_\_, you should have somehow  
Realized what you gotta \_\_\_\_\_  
I \_\_\_\_\_ that anybody  
Feels the way I do about you \_\_\_\_\_

Backbeat, the word was on the street  
That the fire in your \_\_\_\_\_ is out  
I'm sure you've heard it all before  
But you never really had a \_\_\_\_\_  
I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are  
\_\_\_\_\_

And all the lights that lead us there are  
\_\_\_\_\_

There are many things that  
I would like to say to you, but I don't know  
how

Because maybe  
You're gonna be the one that  
\_\_\_\_\_ me

And after all  
You're my wonderwall

Writer(s): Noel Gallagher

Noel Gallagher said about the origin of this song in 1996, "It's about my girlfriend, Meg Matthews." After he divorced Matthews in 2001 he said, that the song was "about an imaginary friend who's gonna come and save you from yourself".

The title of this song was derived from the film "Wonderwall" (1968). [George Harrison](#) wrote the soundtrack for it named "Wonderwall Music" (1968).

[Ryan Adams](#) made a cover version of this song on his "Love Is Hell Pt. 1 EP" (2003). That cover was well received by Noel Gallagher who said, "I think Ryan Adams is the only person who ever got that song right."

This song was the band's first single in the USA, and it became their biggest hit there.
