

WONDERWALL - OASIS

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I _____ believe that anybody
_____ the way I do about you now

Backbeat, the word is on the street
That the fire in your heart is out
I'm sure you've heard it all _____
But you never really had a doubt
I don't believe that anybody
Feels the way I do about you now

And all the roads we have to _____ are winding
And all the lights that lead us _____ blinding
_____ many things that I
Would like to say to you but I don't know how
